FRIDAY, OCTOBER 20, 2017

Grandparents' and Grand-friends' Day recognizes the importance of our heritage, our community, and relationships across generations. Visit the school to find out what students are learning and celebrate with us.

- 12:45-1:15** Welcome assembly with grandparents and friends only – in the gym. Enter by the gym, doors 3 and 4. Handicap parking is available around the back of the building and you will enter through our new junior high wing. We will have staff available to help with parking when you arrive. Thank you in advance for your patience!
- 1:15-2:45** Grandparents and friends go to the oldest grandchild's classroom – all the children in the family will be there & they'll get their schedule for afternoon activities.
- 2:45** Time to say good-bye! Guests leave and students return to their classrooms.

*****All teachers will be helping with dismissal. Parents, please be aware that dismissal will be more complicated with the added traffic. It would be helpful if drivers arrive no earlier than 3:05 to minimize congestion.***

We look forward to seeing you soon!
