

Corpus Christi Builders Club is looking for student performers in grades 3rd-8th for our first ever talent show. Our talent show will be on Tuesday, October 17th from 2:00 p.m.-3:00 p.m. in Corpus Christi Gymnasium. Students will be performing for the entire school and any interested parents.

Students who are interested will need to attend one after school practice so that we can see how many students are interested and time their acts. Your act should be no longer than 3 minutes so that the maximum number of students may participate. If we have more than 16 acts we will put the names of interested students in a hat and draw out of the hat.

Our after school practices will be on Thursday, October 12th and Friday, October 13th starting at 3:30 p.m. and ending at 5:30 p.m. You don't have to attend the entire 2 hours. Please plan to come, perform, then have your ride here so that you can leave after you perform. Students may not hang around to watch other performers.
